

Sweet Bean Chihuahua Puppy Application

Thank you for your interest in Sweet Bean Chihuahuas! We are excited that you think highly enough of our dogs to want to consider adding one to your family. Please don't be offended by the personal nature of the questions in this application. We aren't really that nosy, but it is exceedingly important to us that our dogs be happy and loved for their entire lives. With that goal in mind, many of the questions are designed to make you think about the realities of living with a chihuahua and to ensure a good fit for all involved. Please know that we are available to discuss any aspect of this adoption at any time.
